• DEPAUL CRISTO REY HIGH SCHOOL •

A Message from the AP's Desk

Students

We did it! This is the last 168 for the year. We have come to the end, we have grown, laughed, cried, and persevered through another school year. Seniors have said their final goodbyes and will be graduating in the next coming week. Juniors will become Seniors and embark on their last year here at DePaul, while Sophomores journey into becoming Juniors and Freshman have made it through their first year in high school. This has been an excited year. I encourage you all to take with you what you have learned this year at DePaul Cristo Rey throughout the summer, as you go to work, summer camps, internships and programs or simply just spend time with family. This final week of school be sure to thank your teachers, hug your friends, take pictures, and hold on to the memories, love and support that you felt that guided you this school year. **Thank you for being a Bruin 168.** See you next year.
