A Message from the AP's Desk

Dear Students,

We did it! We got through the first week of school, for some it was their last first week of high school. We are off to a good start. I witnessed so many students in proper uniform and being leaders as they modeled the expectations we set forth for our students. I look forward to building relationships with everyone as the year progresses. If you see me in the hall or my office door is open, stop and say "HI."

I'm a Bruin 168
