Further Details.....

Final Assignments – Instead of Final Exams, students that are achieving below a 70 for the year in a class will be required to complete a final assignment. Teachers will notify you via email by Friday May 15 if you are to complete this assignment. Final assignments will be due by May 22 at the latest.

****Scheduling classes*** – On Monday you will receive an email from Ms. Hoekzema regarding how to request classes to take next year. You received an email May 14 describing your options. You must request courses by Friday May 22.

*****Textbook/Laptop Drop Off*** – On Thursday June 4 you will be returning any school materials you have at home. This includes textbooks, athletic uniforms, art and music supplies, library books, and your laptop, charger and case. More information will be shared with you as details are finalized.

Summer Reading – English teachers are sharing information regarding summer projects. These are a requirement! Information will also be posted to the web-site and available when you return school items on June 5.

Athletes! Grades matter for participation in sports, so do physicals. Be sure you are passing ALL of your classes for the quarter and the year in order to participate next fall. Also, make an appointment for a physical for this summer so you are ready to go next fall!

JUNIORS – Schedule your one-on-one meeting with Ms. Smith. Meetings need to be set for before July 31st. Click [here](#) to see available times and to request an appointment.

Service hours - If you are doing service over the summer, please log them with Ms. Murray. Email her for more information about service ideas.

Re-Registration - Final Forms for registration is open and we hope that you can complete it. Should you need help, we are working on getting some support for that. If you are a current student and are not registered we will be reaching out to see how to help you complete registration for next year.
