Academic Updates

Do you need to change a course?

Students interested in changing a class, need to fill out a course request form. Consideration for changing a course includes; is this course needed for graduation, do you meet the grade requirements, impact on other classes, and/or if there is room in the class. Changing an actual bell, you have a class in is not able to be accommodated. Keep in mind, that changing one class will impact 1 to all of your other courses.

The form can be accessed using this link:
