**“Good Words Are  
Worth Much and Cost  
Little.”**

### *DPCR Class of 2022 Celebration*

Let's congratulate Josh W. as the DPCR Class of 2022 Valedictorian and Jayla W. as the Class of 2022 Salutatorian.

### ***Important Information***

#### ***Bruin Café-Lunch and Breakfast Modified***

On Thursday, and Friday, April 21 and April 22, Students will eat in another location due to Rey of Light preparations, in the Bruin Café and gym. If the weather cooperates students may eat outside. Plans will be announced as the date becomes closer.

#### ***Student Uniform Incentive-Snow Cone Truck***

45 minutes at the end of the day Friday, April 29th. Students involved should have 0-1 uniform or behavioral violations in the 4th quarter up to that point. There will be games in the upper field and open gym time, as well as music outside in the circle drive, and students can just sit in the cafeteria. No snow cones in the gym! Students with the reward will be confined to these areas. We'll need folks monitoring the field, the gym, the cafeteria, and volunteers for the quiet rooms, as students who do not earn the reward will need to sit in 1-2 classrooms doing quiet work.

### ***Power School***

I am going through power school each day following up with students. I am sorry for the interruptions to your instruction, when I call for students. I am trying to stay on top of the write ups. Let's work to support each other. Please contact parent/guardians related to academic and discipline issues that are put in Power School. *Michael*

### ***Student Uniform Blitz***

Students not in approved DPCR uniforms, should be sent to the Bruin Café, during Mentor Group. There should be no out of uniform student present in any class, after Mentor Group. Any student seen out of uniform, should immediately be sent to the office. Mr. Ward, Mr. Dickinson, or Mr. Cornett can get them in uniform or send the students home. Great Job, let's keep the students in uniforms!!

### ***Tanzania club***

Tanzania club members are learning Swahili with Duolingo.com. Would you like to learn along with us? Go to Duolingo.com and choose Swahili. Once you join and start playing, search for my name (Julie Rentz) and add me as your friend. You'll see all of my DePaul friends listed if you click on my profile. You can choose to follow all of them. Let me know if you need any help getting started.

### ***From Admissions***

Shadow Days for 8<sup>th</sup> graders will be offered on select Wednesdays and Thursdays. Second semester dates will run from February 9 to April 28.

Attendance will be capped at six 8<sup>th</sup> graders per date. Host pairings will be emailed to staff the day prior. Shadow students will be paired with a host for bells 1-5. They will attend CWSP Panel during bell 6. We have booked the CWSP Conference Room on each of the Shadow Days. Please don't hesitate to contact Admissions with any questions. We thank you for your support!

### ***Covid Information***

Please see the DPCR website for updated information on covid and protocols. The mask mandate has ended.

### ***Security System***

If you come into the DePaul Cristo Rey building during non-school hours (Saturdays or Sundays) remember to put in the 4-digit code, in the front door security box. You need to “disarm the system”, Red light is on, green light means the system is off. Please sign in and out on the “visitors book”, which has a tab for employees in the main office, so we (and you) know the building is vacant. The last person should arm (turn on the security system).

### ***Morning and Afternoon School wide announcements***

Any announcement for the morning or afternoon, need to be placed in the announcement folder in the office. Please mark if the announcement is to be repeated.

### ***Sick days emergencies, situations***

“Text is best” text Michael at 513-615-9869. Please record the information in PayCor, when available.

### ***Paycor***

Reminder: Please put sick days, days off for personal reasons, and other times off from your regular working hours in Paycor.

### ***Who do I see?***

Katie Hoekzema: Anything related to academic, grades, schedules.

Michael Ward: Teacher absence, classroom needs. Student issues, Omnia work orders.

Jackie Siders: Classroom/office supplies.

Jan Horne and Jim Bernard: Computers and classroom technology.

Marlene Sims: Purchasing student educational/instructional materials.

### ***Who do I call in an emergency?***

Michael Ward: 513-615-9869
