- 4pm – Mindfulness Meditation with Ms. Schneider ([Zoom Link](#))
- 3-4 - Voice at Work – (Zoom Link to come from Mr. Brennan)

Friday April 10, 2020 – No School – Easter Pause

Further Details.....

Re-Registration - Final Forms for registration is open and we hope that you can complete it. Should you need help, we are working on getting some support for that. If you are a current student and are not registered by Monday we will be reaching out to see how to help you complete registration for next year.

CWSP -Although Corporate Work Study is not happening in its normal format, students are still earning a portion of their tuition through the program. The CWSP team is currently working to discuss the possibility of "virtual work" duties for students with their job partners, as well as continuing to have students complete assignments to increase their business and career skills.

Attendance Policy – During distance learning, your attendance in class is recorded by submitting your assignments. If you do not complete an assignment it will both reflect in your grade and attendance. For daily attendance, you will be marked absent if you are absent from a majority of your classes that day. This will all be updated on Fridays.

Morning Prayer and Announcements – PLEASE join us via zoom Monday-Thursday for morning prayer and announcements. Click [HERE](#) to join. It is so very important to helping everyone maintain their connection with school.
